P R E F A

AS a book, without a
 (how small soever it
 be thought as great an odd
 without a door-way; and
 it, perhaps, as unmannerly
 to enter into a room full of
 out making a bow; it will
 for me also to follow the custom
 Know then, my pretty little
 having lived several years in
 giant *Instruction*, the virtuous
 the *Enchanted Castle*, and
 by particular business to
 into England, I persuaded
 could not better employ my
 than by writing an account
 rarities and curiosities which
 be seen in that celebrated
 pecially as such an account
